WHEREAS, during its 11th Regular Meeting on 27 October 2016, the GPPB, through Resolution No. 26-2016, approved the issuance of Circular No. 03-2016 informing all PEs about the deferred implementation of the mandatory submission of the PhilGEPS Certificate of Platinum Registration and Membership in Competitive Bidding under the 2016 revised IRR of RA No. 9184 from 28 October 2016 until 30 April 2017 to allow ample time to all prospective bidders to register with the PhilGEPS under the Platinum Registration and Membership category and provide a transitory period to all PEs;

WHEREAS, during its 4th Regular Meeting on 31 July 2017, the GPPB, through Resolution No. 26-2017, approved the issuance of Circular No. 07-2017 providing for the following:

1. Deferment of the implementation of the mandatory submission of PhilGEPS Certificate of Platinum Registration and Membership in the 2016 revised IRR of RA No. 9184 until further notice; and
2. Clarification that the deferment of implementation of the mandatory submission of PhilGEPS Certificate of Platinum Registration and Membership under the 2016 revised IRR of RA No. 9184 likewise applies to Limited Source Bidding and Negotiated Procurement under Two-Failed Biddings modalities;

WHEREAS, pursuant to the above-stated deferment, the same Circular directed prospective bidders to submit either their PhilGEPS Certificate of Platinum Registration and Membership in lieu of the uploaded file of Class “A” Eligibility Documents; or their Class “A” Eligibility Documents in lieu of the PhilGEPS Certificate of Platinum Registration and Membership, if unable to obtain such; or a combination thereof;

WHEREAS, taking into account the ongoing PhilGEPS Modernization and review of the Electronic Bidding Guidelines, the GPPB - Technical Support Office (TSO) met with the PhilGEPS on 25 June 2021 to discuss, among others, the status of the implementation of the PhilGEPS Certificate of Platinum Registration and Membership, particularly the capacity of PhilGEPS to timely process the updating of the Platinum Certificate once the renewed or updated Class “A” Eligibility Documents have been uploaded;

WHEREAS, the PhilGEPS, in response thereto, represented that its system and management capacities have improved such that they are better equipped and capable to handle the updating of the PhilGEPS Certificate of Platinum Registration and Membership, which includes the uploading of Class “A” Eligibility Documents, more efficiently. Accordingly, the PhilGEPS supported to lift the suspension of the implementation of mandatory submission of the PhilGEPS Certificate of Platinum Registration and Membership;

WHEREAS, to validate the effectiveness, efficiency, and capacity of the PhilGEPS to implement the mandatory submission of the PhilGEPS Certificate of Platinum Registration and Membership, the GPPB-TSO requested for: (i) agency and merchant test accounts to validate the process of registration and issuance of Certificates of Platinum Registration and Membership as well as verify the number of issued certificates; (ii) data on the number of registrants from 2017 to present for comparison; and (iii) other relevant information to show the capacity of the PhilGEPS in the issuance of Certificates of Platinum Registration and Membership;

WHEREAS, after evaluation and validation of the data submitted and the registration process, the following were noted:

1. For 4 years, from 2017 until 8 May 2021, the number of Platinum registrations processed by PhilGEPS totalled to 104,075 registrations. An assessment of the volume of registrations per year shows an increasing trend of registrations. PhilGEPS processed 19,533 Platinum Registrations in 2017; 22,522 Platinum Registrations in 2018; 25,488 Platinum Registrations in 2019; 23,631 Platinum Registrations in 2020; and 12,901 Platinum Registrations as of 31 May 2021;
2. The 2021 Updated Citizen’s Charter, process flowcharts, and instructional videos of the PhilGEPS reveal that the processing period to upgrade the PhilGEPS Registration from Red to Platinum, from application stage to issuance of the Platinum Certificate, whether made online or through walk-in, is completed within a maximum of 3 working days;
3. A test run of the Modernized PhilGEPS accounts provided by PhilGEPS shows that the uploading time for the audited financial statements is around 18 to 21 minutes, while for the other Class “A” Eligibility Documents, around 2 to 4 minutes per file. It was also found that an updated Certificate of Platinum Registration and Membership is processed after uploading the documents and entering the data on PhilGEPS and once completed, the Certificate of Platinum Registration and Membership can be automatically downloaded with the updated information as reflected under Annex A. The entire process may be accomplished in as fast as an hour and a half; and
4. Moreover, the 2019 Client Feedback Report states that 75% of PhilGEPS’ total number of surveyed clients found its service “Excellent”, while 21% found the same service “Very Good”. Similarly, survey responses as reflected in the Client Feedback Summaries for the Year 2020 and as of May 31, 2021 also show that the excellent satisfactory rating given by clients have been maintained;

WHEREAS, during the 2nd Joint Meeting of the GPPB and its Inter-Agency Technical Working Group (IATWG) held on 28 July 2021, some of the members echoed the persisting issues on the updating of the PhilGEPS Certificate of Platinum Registration and Membership, such as: (i) the policy of allowing the submission of the recently expired Mayor's permit together with the official receipt as proof that the prospective bidder has applied for renewal of the Mayor's Permit within the period prescribed by the concerned local government unit; and (ii) the requirement for PEs to verify, validate and ascertain during post-qualification the veracity, authenticity and validity of all the Class "A" Eligibility Documents attached to the PhilGEPS Certificate of Platinum Registration and Membership of the Bidder;

WHEREAS, in addressing the first issue, the GPPB-TSO recommended that with the lifting of the suspension in the implementation of the mandatory submission of the PhilGEPS Certificate of Platinum Registration and Membership, prospective bidders need only to submit with PhilGEPS their recently expired Mayor's Permit together with the official receipt, as proof that they have applied for renewal of the permit for the purpose of updating their Certificate of Platinum Registration and Membership. Notably, according to PhilGEPS, the acceptability of the official receipt as a legal eligibility requirement to prove the renewal of the requirement for a Mayor's Permit has been its practice based on an earlier Resolution No. 02-2015 issued by the GPPB;

WHEREAS, in addressing the second issue, the GPPB-TSO recommended the inclusion of an additional caveat in the PhilGEPS Certificate of Platinum Registration and Membership to reflect that that through the submission of said Certificate, the Bidder certifies (i) the authenticity, genuineness, validity, and completeness of the copy of the original eligibility documents submitted; (ii) the veracity of the statements and information contained therein; (iii) that the Certificate is neither a guaranty that the named registrant will be declared eligible without first being determined to be such for that particular bidding nor is it evidence of validation; and (iv) that any finding of concealment, falsification or misrepresentation on the part of the Bidder of any of the eligibility documents submitted or the contents thereof shall be a ground for disqualification from further participation in the bidding process, without prejudice to the imposition of appropriate administrative, civil and criminal penalty in accordance with the laws;

WHEREAS, in the interest of administrative due process, the GPPB-TSO further recommended to direct the PhilGEPS to issue an Advisory informing all PEs and prospective bidders regarding the new PhilGEPS Certificate of Platinum Registration and Membership using the revised caveat, and requiring all PhilGEPS Certificate of Platinum Registration and Membership merchants to update and reprint their Platinum Certificate to reflect the revised caveat on or before 2 November 2021;

WHEREAS, in consideration of the foregoing, the GPPB-TSO, during the same Joint Meeting held on 28 July 2021, recommended to the Board the following:

1. Lift the suspension on the implementation of mandatory submission of the PhilGEPS Certificate of Platinum Registration and Membership and necessarily amend Sections 8.5.2, 23.1(a)(ii), 23.3, 24.1(a)(ii), 24.4.3 and 54.6 of the 2016 revised IRR of RA 9184 and Items IV(G) and V(D)(1)(b) as well as Appendix "A" of Annex H thereof, Item I of Sections VIII and IX of the 6th Edition of the PBDs for Goods and Infrastructure Projects, respectively, and Items 4 and 6 of the Guidelines for the Use of the GoP-OMR;
2. Revise the PhilGEPS Certificate of Platinum Registration and Membership to reflect the abovementioned additional caveat;

3. Direct the PhilGEPS to issue an Advisory in the interest of administrative due process; and
4. Set the effectivity of the foregoing amendments on 2 November 2021;

WHEREAS, the Board, after its careful review and deliberation, likewise resolved to approve the foregoing recommendations on the same Joint Meeting held on 28 July 2021;

WHEREAS, during the 2nd Joint Meeting of the GPPB and its IATWG on 12 August 2021, the GPPB-TSO requested the Board for the adjustment of the implementation of the foregoing approved recommendations from 2 November 2021 to 15 November 2021, to conduct further validation of the updating process of the PhilGEPS Certificate, which the Board likewise approved on the same Joint Meeting;

WHEREAS, the GPPB-TSO, in order to conduct further validation, requested the PhilGEPS data on the expected number of merchants that would need to update their Certificate of Platinum Registration and Membership. The data gathered reveals that approximately 24,686 merchants, or 18% of the total number of registered merchants, are expected to upgrade their registrations from Red to Platinum and 109,981 Platinum Certificate holders, or 82% of the total number of registered merchants, will be required to regularly update their merchant information upon full implementation of the approved recommendation;

WHEREAS, the GPPB-TSO found it necessary to further adjust the implementation of the approved recommendations from 15 November 2021 to 01 January 2022 to address the influx of expected applications for updating of the PhilGEPS Certificate of Platinum Registration and Membership and give PhilGEPS more time to properly transition in view of the changes required to be done in the PhilGEPS website to reflect the additional caveat in the Certificate of Platinum Registration and Membership, as well as inform all PEs and prospective bidders regarding the required updating and reprinting of Platinum Certificates on or before 01 January 2022;

WHEREAS, during the 8th Meeting of the GPPB held on 14 October 2021, the GPPB-TSO sought the approval of the GPPB to adjust the period of implementation from 15 November 2022 to 01 January 2022. In the course of the discussion, some members of the GPPB raised additional concerns and proposed further amendments, as follows:

1. Clarify and improve the language used in the revised caveat in the Certificate of Platinum Registration and Membership specifically part *iii* thereof to reflect that by submitting the PhilGEPS Certificate of Platinum Registration and Membership the Bidder certifies that the same is neither a guaranty that the named registrant will be declared eligible without first being determined to be such for that particular bidding nor is it evidence that the Bidder has passed the post-qualification stage;
2. Include an additional clause in the 2016 revised IRR of RA 9184 and the PhilGEPS Certificate of Platinum Registration and Membership to state that for the purpose of updating the PhilGEPS Certificate of Platinum Registration and Membership, all Class "A" Eligibility Documents attached to the Certificate shall remain current and updated, and that failure by the prospective bidder to update its PhilGEPS Certificate of Platinum Registration and Membership with the current and updated Class "A" Eligibility Documents covered by Section 8.5.2 of the 2016 revised IRR of RA 9184 shall result in the automatic suspension of the validity of its Certificate of Platinum Registration and Membership until such time that any of the expired Class "A" Eligibility Documents has been updated. The implementation of which should be

monitored by the PhilGEPS, the representatives of which are present during the meeting;¹ and

3. Strengthen the provision on post-qualification in the revised IRR of RA 9184 by emphasizing that notwithstanding the submission of the PhilGEPS Certificate of Platinum Registration and Membership, the PEs must validate the veracity, authenticity and validity of Class “A” Eligibility Documents covered by Section 8.5.2 of the 2016 revised IRR of RA 9184 attached to the Certificate;

WHEREAS, in consideration of the foregoing, the GPPB-TSO, during the 8th Meeting of the GPPB held on 14 October 2021, recommended to the Board the following:

1. Lift the suspension on the implementation of mandatory submission of the PhilGEPS Certificate of Platinum Registration and Membership in Competitive Bidding and Limited Source Bidding; thus, fully enforcing Sections 8.5.2 and 54.6 of the 2016 revised IRR of RA No. 9184 starting 01 January 2022;
2. Approve the amendments in Section 8.5.2 of the 2016 revised IRR of RA 9184 and Items 4 and 6 of the Guidelines for the Use of the GoP-OMR to include the following additional *caveat* in the Platinum Certificate of Registration and Membership: (i) that for the purpose of updating the PhilGEPS Certificate of Platinum Registration and Membership, all Class “A” Eligibility Documents covered by Section 8.5.2 of the 2016 revised IRR of RA 9184 supporting the veracity, authenticity and validity of the Certificate shall remain current and updated, and that failure by the prospective bidder to update its PhilGEPS Certificate of Platinum Registration and Membership with the current and updated Class “A” Eligibility Documents covered by Section 8.5.2 of the 2016 revised IRR of RA 9184 shall result in the automatic suspension of the validity of its Certificate of Platinum Registration and Membership until such time that all of the expired Class “A” Eligibility Documents has been updated; and (ii) to reflect that through the submission of said Certificate, the Bidder certifies:
 - a. the authenticity, genuineness, validity, and completeness of the copy of the original eligibility documents submitted;
 - b. the veracity of the statements and information contained therein;
 - c. that the Certificate is neither a guaranty that the named registrant will be declared eligible without first being determined to be such for that particular bidding nor is it evidence that the Bidder has passed the post-qualification stage; and
 - d. that any finding of concealment, falsification or misrepresentation on the part of the Bidder of any of the eligibility documents submitted or the contents thereof shall be a ground for disqualification from further participation in the bidding process, without prejudice to the imposition of appropriate administrative, civil and criminal penalty in accordance with the laws;
3. Amend Sections 23.3 and 24.4.3 of the 2016 revised IRR of RA 9184 and the Checklist of the Technical and Financial Documents listed under Item I of Sections VIII and IX of the 6th Edition of the PBD for Goods and the PBD for Infrastructure Projects, respectively, in order to reflect that in lieu of the Class “A” Eligibility Documents mentioned in Section 8.5.2 of the 2016 revised IRR of RA 9184, the

6. Strengthen the provision on post-qualification in the revised IRR of RA 9184 by incorporating in Section 34.3 of the 2016 revised IRR of RA No. 9184 that the conduct of post-qualification includes the verification, validation and ascertainment of the veracity, authenticity and validity of all the Class "A" Eligibility Documents attached to the PhilGEPS Certificate of Platinum Registration and Membership;
7. Direct the PhilGEPS to issue an Advisory informing all PEs and prospective bidders regarding the new PhilGEPS Certificate of Platinum Registration and Membership using the revised caveat, and requiring all PhilGEPS Certificate of Platinum Registration and Membership merchants to update and reprint their Platinum Certificate to reflect the revised caveat on or before 01 January 2022; and
