DEPARTMENT ORDER ) SUBJECT : **IMPOSITION OF OUTRIGHT SANCTION**  
NO. **05** ) **TO DPWH FIELD ENGINEERS WHO**  
Series of 2012 *02-20, 2012* ) **REFUSE TO PROVIDE PERTINENT**  
PROJECT DOCUMENTS DURING QAU  
INSPECTIONS/INVESTIGATIONS

It has been observed that some field engineers of the various implementing offices of the Department do not present or submit the pertinent project and/or quality control documents during the conduct of project inspection/investigation by the members of the Quality Assurance Units (QAU). This refusal to present the required documents for whatever reasons impede the QAU members from conducting accurate assessment of the projects, and defeats the essence of transparency in project implementation. Henceforth, all project engineers shall have in their possession or file all pertinent project documents at the project site at all times.

Any field engineer who will not cooperate during the conduct of QAU project inspection/assessment or fail to present the required documents shall be meted an **outright sanction** equivalent to **suspension from handling any project** for a period of **three (3) months**.

This Order takes effect immediately.
