Adolfo S. Unciano
ADOLFO S. UNCIANO

The provisions under Department Order No. 27, dated August 20, 1974 are hereby further amended;

Requisitions for tires, fuels, lubricant and other petroleum products, shall be approved by the Regional Director regardless of the amount involved, without forwarding the said RIV's to the SPD for availability, subject however, to the following conditions:

- a. For fuel, lubricants and other petroleum products;
 - 1. That the amount per requisition is within the allowed operational requirements of the region for a period of 60 days, and should be procured from the local Petrophil representative in accordance with Department Order No. 19, dated May 1, 1974 of the Department of General Services.
- b. For tires;
 - 1. That the amount per requisition shall not exceed that which is intended for tires of the regions approved quarterly program of work and should be procured from the local manufacturers or their authorized distributors, at government fleet price.
