The following engineers who were previously accredited as Materials Engineer I and who obtained the required score for classification as Materials Engineer II in the examination held on March 11, 2006 are hereby upgraded in rank:

|    | <i>N A M E</i>     | <i>C L A S S I F I C A T I O N</i> |
|----|--------------------|------------------------------------|
| 1. | BUSLON, GRETHEL D  | ME II                              |
| 2. | DE VERA, ISMAEL M. | ME II                              |
| 3. | GOMEZ, ERNESTO L.  | ME II                              |
| 4. | MACOLA, ORLANDO V. | ME II                              |
| 5. | MANUEL, DENNIS B.  | ME II                              |

In view of their accreditation, the above-named accredited materials engineers may be assigned to DPWH projects, subject to the following limits of assignment as spelled out under Department Order No. 71, Series of 2003.

| <u>Classification</u> | <u>Limits of Assignment</u>                                                                                                 |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Materials Engineer II | One project, no cost limit                                                                                                  |
| Materials Engineer I  | One project costing more than P5 M but not more than P100 M.<br>Two projects costing more than P3 M but not more than P5 M. |

A Certificate of Accreditation and an Identification Card bearing a Permanent Accreditation Number shall be issued to each accredited engineer.

HERMOGENES E. EBDANE, JR.  
Acting Secretary
