DEPARTMENT ORDER)

NUMBER **30** *pm* *3/22*

SUBJECT: Creation of a Steering Committee on Labor-Based/Equipment-Supported Methods.

Series of 1989 )

In line with the DPWH Policy Commitment on the use of labor-based/equipment-supported (LB/ES) methods in the implementation of infrastructure projects and to effectively support the program of the government on employment generation, there is hereby created in the Department a Steering Committee composed of the following:

- Chairman - - - - - EDMUNDO V. MIR  
Undersecretary
- Co-Chairman - - - - - TEODORO T. ENCARNACION  
Undersecretary
- Members - - - - - MANUEL M. BONDAN  
Asst. Secretary for Planning
- FRANCISO N. PASCUAL  
Director, Bu. of Design
- JOSE H. ESPIRITU  
Director, Bu. of Research  
and Standards

The Steering Committee shall provide overall guidance and direction, exercise general supervision and formulate policies in the development and implementation of the labor-based programs of the Department. The Committee may call on any person, office or attached agency of the Department for assistance as may be required in the performance of its functions.

The Central Labor-Based Unit (CLBU) established under Department Order No. 91 dated 10 October 1988 shall serve as Secretariat of the Steering Committee. The Project Management Office (PMO) for Rural Roads Improvement Projects shall serve as the technical arm of the Steering Committee to coordinate, monitor, and manage the process of implementation of LB/ES projects by the regional and district offices.

All officials and personnel of the Department are directed to extend the necessary support and assistance to the Committee.
