MINISTRY ORDER

NO. 50
 Series of 1984

SUBJECT: Amendment of Ministry Order No. 23, Series of 1982 relative to the Delegation of Authority on Procurement and Payment for Supplies, Materials and Equipment to Project Managers and Project Engineers

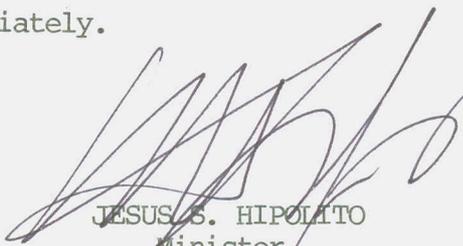

In view of the previous price increase of almost all commodities and services brought about by the diminishing value of the Philippine peso vis-a-vis the U.S. Dollar, the limits of authorities delegated to the Project Managers and Project Engineers of the Project Management Offices of this Ministry have caused difficulties in procurement and payment of supplies, materials and equipment needed in their operations.

In order to facilitate more efficient and responsive operations of the Project Management Offices (PMO) particularly in the procurement activities in connection with the implementation of our projects, the authority delegated to the Project Managers and Project Engineers who are heads of the PMOs, is hereby revised as follows:

<u>VARIABLE AUTHORITY</u>	<u>PM-IV</u>	<u>PM-III</u>	<u>PE-II</u>	<u>PE-I</u>
In the case of PMOs based outside of the National Capital Region, approval of requisitions, purchase orders, and payments for supplies, materials and equipemnt, excluding items banned by the Central Office, in an amount not exceeding.....	₱100,000	₱75,000	₱50,000	₱30,000

All existing ministry orders, memoranda or circulars that are inconsistent herewith are hereby amended, modified or revoked accordingly.

This order shall take effect immediately.
