**DEPARTMENT ORDER**

NO. 71  
SERIES OF 1995 4-17

**T O : ALL KABUHAYAN 2000 NATIONAL AND REGIONAL  
ACTION OFFICERS, PROJECT MANAGERS, REGIONAL  
DIRECTORS AND DISTRICT ENGINEERS.**

**SUBJECTS : REITERATION OF COMMITMENT TO THE KABUHAYAN  
2000 (K-2000) PROGRAM IMPLEMENTATION CONCERNS.**

Calendar Year 1995 marks the second year of K-2000 Program implementation. While the program attained a modest achievement in its initial year of implementation (1994), it is desired that we now double our efforts to sustain the momentum gained by the Program if we are to effectively and efficiently achieve our remaining target of two million jobs in two years time at an accelerated rate.

We can meet these twin challenges by strengthening our commitment to the Program through enrollment of more projects, strong supervision of the Program's activities at the national, regional, provincial/city and municipal levels such as in the expeditious and conscientious aligning/complementation of the committed resources and efforts.

For this purpose, all concerned, particularly the designated National and Regional Action Officers, Regional Directors, District Engineers and Project Managers, are hereby directed to provide all the necessary technical, financial and logistical support for KABUHAYAN 2000 in CY 1995.

For immediate compliance.
