DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS  
OFFICE OF THE SECRETARY  
MANILA

DEPARTMENT ORDER)  
NO. **78** *rel*)  
Series of 1993 *4/13*)

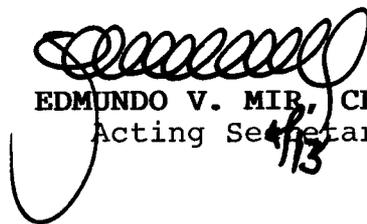

SUBJECT: **Suspension/Blacklisting of  
Thos Storey (Engineers) Ltd.**

In view of the verified findings that some items of delivered Acrow bridge materials were non-complying with DPWH Specifications resulting in the rejection thereof, Thos Storey (Engineers) Ltd. and its agent/representative, whether a Filipino or otherwise, are hereby suspended/blacklisted, for a period of one (1) year from date hereof, from participating in any bidding for the procurement of Acrow bridge materials.

In this connection, since the first and second shipments of Acrow bridge materials had already been paid notwithstanding that some units thereof were non-complying, a portion of the third shipment that complies with the DPWH Specifications shall be made to replenish or replace the defective or non-complying units in the first and second shipments. Whatever units from the third shipment taken as replacement for the non-complying units in the first and second shipments, no replacement thereof shall be required from Thos Storey, but the payment for the third shipment shall only be limited to the balance of the third shipment after deducting those units used as replacements for the non-complying units in the first and second shipments.

This Order serves to clarify Department Order No. 33, current series, that is, what is blacklisted is not the Acrow bridge materials but Thos Storey (Engineers) Ltd.

Any Department Order or issuance inconsistent herewith is hereby amended or superseded accordingly.
