SUBJECT: Metro-Manila Infrastructure
Utilities and Engineering
Program Office (MMINUTE)

For the effective implementation of the Metro-Manila Infrastructure, Utilities and Engineering (MMINUTE) Program, which is a high priority project developed thru the Metro Manila Financing and Delivery of Services (MMETROFINDS) Project, there is hereby created a MMINUTE Program Office under the Office of the Minister to perform the following functions:

1. Engineering and planning development - including project identification, project planning, preliminary engineering, and programming/phasing of the MMINUTE Program.
2. Financial development - including financial management, financial planning, and budgeting of the Program.
3. Operations management - including supervision, management, coordination, and monitoring of implementation of the Program.
4. Relevant research, surveys, data banking, and assessment of impact of the Program.
5. Execution of policies, directives, instructions, and other tasks assigned by the Chairman of the MMETROFINDS Steering Committee and the Minister of the MPWTC.

The MMINUTE Program Manager shall report directly to the Chairman of the MMETROFINDS Steering Committee.

Mr. Apolo Jucaban is hereby designated MMINUTE Program Manager in addition to his functions as MMETROFINDS Project Director.

The MMETROFINDS Project Office shall provide interim staff of the MMINUTE Program Office.

This Order takes effect immediately.
