DEPARTMENT ORDER)
NO. 01)
Series of 2023)

**SUBJECT: Deployment of the DPWH
Construction Materials Price Data
(CMPD) Module in the Cost
Estimation Application (CEA)**

dt 1/13/2023

In line with the Department's objective to improve data quality, process integration, consistency, and standardize the current processes in establishing the quarterly CMPD of this Department, the Construction Materials Price Data (CMPD) Module in the Cost Estimation Application (CEA) shall replace the Construction Cost Information System (CCIS). The CEA shall be the only application used in the creation, evaluation, and approval of the CMPD.

The CMPD Module provides a comprehensive construction materials prices database that supports the cost estimation process from preparation, review/evaluation, and down to approval of the Detailed Unit Price Analysis (DUPA), Program of Works (POW), and Approved Budget for the Contract (ABC).

The use of the CMPD Module in establishing the quarterly CMPD shall commence on the 4th Quarter of C.Y. 2023 upon completion of rollout trainings to all concerned Implementing Offices (IOs), which shall be conducted by the Bureau of Construction (BOC) on the 3rd Quarter of C.Y. 2023.

This order shall take effect immediately.
