**SUBJECT : Reinstatement of Accreditation as  
Contractors'/Consultants' Materials  
Engineer**

dt 6/3/2025

The accreditation of **Engr. Loida L. Leal**, Materials Engineer I, with accreditation number 1006, is hereby reinstated pursuant to Department Order No. 98, Series of 2016, Section 1.6 which states that, "*Other government engineers who were previously accredited as Contractors'/Consultants' Materials Engineers but whose accreditations were revoked per Department Order No. 60, Series of 2003 may be reinstated as Contractors'/Consultants' Materials Engineers corresponding to their rank after separation from the government service upon their request, subject to the approval of the Secretary upon recommendation of the Accreditation Committee*".

Having retired from the government service for more than one (1) year already, the reinstatement of the accreditation of Engr. Leal also conforms to Section 7 (Prohibited Acts and Transactions) of Republic Act No. 6713, otherwise known as the "*Code of Conduct and Ethical Standards for Public Officials and Employees*" considering that the prescribed one (1) year restriction to practice her profession in private companies that conduct business with DPWH or other government agencies has already lapsed.

In view hereof, Engr. Leal can be assigned to DPWH projects within her limits of assignment based on her classification rank per Department Order No. 98, Series of 2016, Paragraph 5.0, "*Criteria for the Assignment of Contractors'/Consultants' Materials Engineers*".
