OCT 05 2023

DEPARTMENT ORDER)
NO. 127)
Series of 2023)

10/9/23

SUBJECT: Updated Guidelines in the Preparation of Conceptual Design, Detailed Engineering Design, "As-Staked", Revised, and "As-Built" Plans for Highway, Bridge and Water Projects

To further elevate the standard and quality, avoid inconsistencies, and to provide more legible project plans that will ensure its effectiveness, productivity and adaptability to existing condition, the following guidelines shall be observed by all concerned offices of this Department in the preparation of Conceptual Design, Detailed Engineering Design (DED), "As-Staked", Revised and "As-Built" plans for highway, bridge and water projects:

1. All sheets in the set of Conceptual Design, DED, "As-Staked", Revised and "As-Built" plans for Highway, Bridge and Water Engineering and other related projects shall be uniform and of one standard A-2 size (420mm x 594mm) mylar paper.
2. To ensure that each part are presented clearly and readable when printed on A2-size mylar paper, the scale to be used for various components of the design plans shall be as follows:
 - a. Plan (road) - 1:1250;
 - b. Profile (road) - 1:125;
 - c. Cross-sections (road) - 1:100 (horizontal and vertical);
 - d. Plan, Profile and Cross-sections (river/channel) - Appropriate scale depending on the length and width of the river/channel, and height of embankment/excavation;
 - e. General Plan and Elevation (Bridge) - Appropriate scale depending on the length of the bridge and height of substructures, but not smaller than 1:500; and
 - f. Structural details, tables, notations, etc., shall vary depending on the scale and text fonts prescribed in the latest DGCS edition and/or the designer's discretion.
3. Draftsmanship shall be of professional quality. All plans shall be drafted and printed using computer-aided design (CAD) software.
4. The meaning and intent of the provisions and/or specifications under the General Notes shall be made clear and specific, and shall leave no room for misinterpretations that may lead to Variation Orders later on.
5. The title block for all sheets shall be made an integral part of the sheet of plan and not merely patched-up therein. Cover sheets and title blocks shall vary in composition

depending on the preparing and approving office. Formats for the cover sheets and title blocks are as presented in the following annexes:

- Cover Sheets:

Annexes "A-1" to "A-13"	-	Conceptual Design Plans
Annexes "B-1" to "B-18"	-	Detailed Engineering Design Plans
Annexes "C-1" to "C-6"	-	"As-Staked" Plans
Annexes "D-1" to "D-11"	-	Revised Plans
Annexes "E-1" to "E-6"	-	"As-Built" Plans

- Title/Signature Blocks:

Annexes "F-1" to "F-3"	-	Conceptual Design Plans
Annexes "G-1" to "G-4"	-	Detailed Engineering Design Plans
Annexes "H-1" to "H-2"	-	"As-Staked" Plans
Annexes "I-1" to "I-3"	-	Revised Plans
Annexes "J-1" to "J-2"	-	"As-Built" Plans

NOTE: All dimensions to be shown are in millimeters.

6. For Conceptual and DED plans prepared by the Design Consultants and "As-Staked", Revised or "As-Built" Plans checked/reviewed by the Construction Supervision Consultants (CSC), all sheets, including the cover page, shall be provided with a liability waiver duly signed by their Project Manager. Similarly, for Design and Build Projects, all sheets of plan including the cover page shall be provided with a liability waiver duly signed by the Contractor's Project Manager, as indicated in annexes "B-14" to "B-18". The waiver shall also be made an integral part of all sheets and not merely patched-up. The format of the liability waivers shall be as presented in annexes "K-1" to "K-6".
7. All plans to be approved by the District Engineering Offices (DEOs) and Regional Offices (ROs), except for "As-Built" plans, shall be signed as prepared or reviewed by the Chief of the Planning and Design Section/Division. If the approval of the plan is within the delegated authority of the Central Office, all concerned Heads of the Implementing Offices must sign the final design plan prior to its submission to the Bureau of Design.
8. All sheets of the set of plan shall be neat, clean and without any crossed-out or voided portion therein. Plans with corrections made by the reviewing officials/offices shall be returned to the designing office for correction or replacement.
9. The text style shall be Arial for all parts of the plan. Text height may vary depending on the designer's discretion as long as all words are maintained legible and not smaller than 2mm. However, standard text heights for cover sheets and title blocks shall be as illustrated in annexes "L-1 to L-5".
10. All concerned officials that will sign the Cover Sheet and Title/Signature Block should stamp the date of their signing in the space provided therein. The date shall be stamped once the signatories has been affixed.

Soft/electronic copy (in editable CAD file) of said "Annexes" and sample drawing sheets can be downloaded from DPWH (Bureau of Design) intranet.

This order supersedes Department Order No. 55, Series of 2020 and shall take effect immediately.

NOTE:
 PURSUANT TO REMARK 4 OF ANNEX 3 OF THE REVISED IMPLEMENTING RULES AND REGULATIONS OF R.A. 814, THE CONSTRUCTION SUPERVISION CONSULTANT SHALL BE RESPONSIBLE FOR VERIFICATION AND CONFIRMATION OF QUANTITIES AND QUALITIES OF WORK ACCOMPLISHED BY THE CONTRACTOR AS AGAINST THE APPROVED PLANS, SPECIFICATIONS AND PROGRAMS OF WORK.
 THE CONSTRUCTION SUPERVISION CONSULTANT SHALL BE HELD FULLY RESPONSIBLE FOR THE FAILURE OF THE FACILITIES/STRUCTURES DUE TO POOR QUALITY OF WORKMANSHIP ACCOMPLISHED BY THE CONTRACTOR EXCEPT FOR THOSE FAILURES DUE TO FAULTY DESIGN AS PER APPROVED DETAILED ENGINEERING DESIGN PLAN. THE APPROVAL BY THE AUTHORIZED CONTRACTING OFFICIALS OF "AS-BUILT" REVISED OR AS-BUILT PLANS UNDER A CHECKED BY CONSTRUCTION SUPERVISION CONSULTANT DOES NOT IMPLY THE RESPONSIBILITY OF THE LATTER FOR THE TECHNICAL INTEGRITY OF THE AS-BUILT PLANS AND TRANSFER ANY PART OF THE RESPONSIBILITY TO THE APPROVING OFFICIALS.

**LIABILITY WAIVER
TO BE SIGNED BY THE CONSTRUCTION SUPERVISION
CONSULTANT/S
FOR "AS-STAKED" AND "AS-BUILT" PLANS**

NOTE:

PURSUANT TO ITEM 6.4 OF ANNEX 'B' OF THE REVISED IMPLEMENTING RULES AND REGULATION OF R.A. 9184, THE CONSTRUCTION SUPERVISION CONSULTANT SHALL BE RESPONSIBLE FOR VERIFICATION AND CHECKING OF QUANTITIES AND QUALITIES OF WORK ACCOMPLISHED BY THE CONTRACTOR AS AGAINST THE APPROVED PLANS, SPECIFICATIONS AND PROGRAM OF WORKS.

THE CONSTRUCTION SUPERVISION CONSULTANT SHALL BE HELD FULLY RESPONSIBLE FOR THE FAILURE OF THE FACILITIES/STRUCTURES DUE TO POOR QUALITY OF WORKMANSHIP ACCOMPLISHED BY THE CONTRACTOR EXCEPT FOR THOSE FAILURE DUE TO FAULTY DESIGN AS PER APPROVED DETAILED ENGINEERING DESIGN PLAN. THE APPROVAL BY THE AUTHORIZED GOVERNMENT OFFICIALS OF "AS-STAKED", REVISED OR "AS-BUILT" PLANS UNDERTAKEN/CHECKED BY CONSTRUCTION SUPERVISION CONSULTANT NEITHER DIMINISHES THE RESPONSIBILITY OF THE LATTER FOR THE TECHNICAL INTEGRITY OF THE SAID PLANS NOR TRANSFER ANY PART OF THAT RESPONSIBILITY TO THE APPROVING OFFICIALS.
