Justification:
- Transfer of barangay. Malabon Tullahan River Improvement in Brgy. Bagbag, Q.C is already included in the project being implemented by UPMO - Flood Control Management Cluster.
- Hence, it is transferred to Brgy. San Bartolome Phase V to prevent soil erosion and overflowing of creek to adjacent private property during heavy down pour.
- Increase in physical target is due to the decrease in earthworks.

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended.
