MEMORANDUM

FOR : **MANUEL M. BONOAN**
Secretary
This Department

This refers to the memorandum dated May 2, 2025, of **DPWH Region II Assistant Regional Director EDITHA R. BABARAN, CSEE**, endorsing the request of **District Engineer OSCAR G. GUMIRAN, PhD**, Cagayan 1st DEO, for the **modification** of the project under FY 2025 GAA, to wit;

As per GAA/Original		As Modified	
Project Description			
UACS No. 300214101834000 Project ID : P00938064LZ		Convergence and Special Support Program (CSSP) - Special Road Fund - Motor Vehicle Users Charge (MVUC) as per R.A. 11239 - Installation/Application of Road Safety Facilities (Roadway Lighting) along Cagayan Valley Rd (Magapit-Jct Aparri Airport Sect) - K0554 + (-334) - K0557 + 735	
Convergence and Special Support Program (CSSP) - Special Road Fund - Motor Vehicle Users Charge (MVUC) as per R.A. 11239 - Installation/Application of Road Safety Facilities (Roadway Lighting) along Cagayan Valley Rd (Magapit-Jct Aparri Airport Sect) - K0564 + 096 - K0571 + 525			
Type of Work/ Physical Target	Unit Cost	Allocation	Type of Work/ Physical Target
CW-1: Roadway Safety: Roadway Lighting	₱46,226.415/ Number of Unit	₱19,600,000.00	CW-1: Roadway Safety: Roadway Lighting
424.00 Number of Units			291.00 Number of Units
EAO	-	₱400,000.00	EAO
Total		₱20,000,000.00	Total
			₱20,000,000.00
Justification:			
o Decrease in physical target/increase in unit cost of CW1 – Road Safety: Roadway Lighting from 424 units to 291 units is due to the following:			
o Change in the design requirement from "single arm 8-meter pole street lighting with 20-meter spacing both sides" to "single-arm 12-meter pole solar LED street lighting (250 watts) with 25-meter spacing in staggered and single sided arrangement". Single-sided arrangement was positioned in moderately congested areas, whereas staggered arrangement were used in unobstructed areas.			
o The increase in the project limits is attributed to the solar LED street lighting arrangement.			
o Derivation of unit cost is based on the Approved Detailed Unit Price Analysis (DUPA) and Program of Work (POW).			
o Change in station limits from K0554 + (-334) - K0557 + 735 to K0564 + 096 - K0571 + 525 was made			

to prioritize sections that are moderately populated with little to no streetlights to ensure the safety of end user and to synchronize the change in the actual length of the modified physical target of the project. (See Straight Line Diagram/SLD and Geotagged Photos)

Attached are the following supporting documents: GIS Map of the Proposed Project Work Location, Certificate of Availability of Funds (CAF), BP Form 202, Certificate of Reasonableness of Cost Estimate, Certificate of "No Overlapping" and "Not Within Warranty Period", Geotagged Photographs, Approved Program of Works (POW) and Approved Detailed Engineering Design (DED).

Based on our evaluation, the submitted request for project modification is in order, hence, it is respectfully recommended to the Undersecretary for his consideration and approval.

EUGENIO R. PIPO, JR.
Undersecretary for Regional Operations
in CAR, Regions-I, II, IX, X, XI, XII and XIII

RECOMMENDING APPROVAL:

MARIA CATALINA E. CABRAL, Ph.D., CESO I
Undersecretary for Planning and Public-Private
Partnership Services
