 District Engineer

DPWH-G&S-02: The Annual Procurement Plan is a breakdown of all the requirements for goods and services for the coming year as consolidated by the BAC Secretariat based on the submitted PPMs from the End-User/Implementing Agency and the final budget as approved under the General Appropriations Act (GAA). The BAC Secretariat shall extract the common use supplies to be procured through the DBM-PS into an APP for Common Use Supplies and Equipment. This APP is submitted to the Head of Procuring Entity for approval. The APP should also include provisions for unforeseen emergencies based on historical records.
