MAY 17 2022

DEPARTMENT ORDER)

NO. 78)

Series of 2022 da 5/23/2022)

SUBJECT: Additional Requirements in the Implementation of Item 522 – Active and Passive Protection Systems for Unstable Slope Projects Costing Php 50 Million and above for FY 2023 and Subsequent Years

In line with the Department's efforts to improve planning and construction of various Rock-Fall Netting Projects, therefore ensuring quality of design and cost effectiveness of protection system for unstable slope, all DED plans of 2023 projects and onwards involving Item 522 - Active and Passive Protection Systems for Unstable Slope with total cost of **Php 50 Million and above** shall be submitted to Bureau of Design for review and evaluation prior to the approval of the Head of Implementing Office concerned.

For the successful implementation of said projects, the Bureau of Design and the Bureau of Research and Standards shall monitor the implementation and are also authorized to conduct random inspection to verify compliance to design requirements and material specifications set by the Department.

For strict compliance of all concerned.

ROGER G. MERCADO
Acting Secretary
