DEPARTMENT ORDER
NO. 81
Series of 1996. *16-10*

SUBJECT: SUBMISSION OF DETAILED TRAFFIC
MANAGEMENT/REROUTING PLANS PRIOR
TO IMPLEMENTATION OF DPWH PROJECTS
WITHIN METRO-MANILA.

The DPWH in its short and medium term programs has identified projects for the improvement of traffic conditions in Metro-Manila. The implementation of these projects, however, will result in the disruption of traffic flow and inconvenience to the riding public. To mitigate this situation, there is need for a workable and well-prepared detailed traffic management/rerouting plan prior to the implementation of each of these projects.

In view of the foregoing, the implementing offices are hereby required to submit and obtain the approval of PMO-TEAM/TEC of each traffic management plans/schemes needed by their projects, before requests for necessary permits from MMDA and other concerned agencies are made.

All Department Orders, Circulars and other issuances inconsistent herewith are hereby revoked.

This Order shall take effect immediately.

GREGORIO R. VIGILAR
Secretary
