**Joint Venture of CTI Engineering International Co., Ltd. and Oriental Consultants Global Co., Ltd. in association with Woodfields Consultants, Inc., Edifice Planners and Builders, Inc., Angel Lazaro and Associates Int., KRC Environmental Services, DCCD Engineering Corporation and Philkoei International, Inc., Consultant** - Secretariat

The main functions of the Steering Committee are as follows:

1. Oversee the conduct of the overall work of the project in accordance with the project design activities and implementation plan;
2. Provide assistance to the Consultant in the conduct of field survey works, data collection and investigation;
3. Provide assistance to the Consultant in the coordination and consultations among stakeholders and local government units in the preparation of indicative relocation/resettlement action plan;
4. Provide guidance and resolve issues/constraints that may arise during the course of the design and construction;
5. Monitor the progress of the design and construction;
6. Evaluate the accomplishment of the targets and achievements of the objectives;
7. Review and evaluate the results and recommendations of the Consultant;
8. Ensure success and desired outcome of the project implementation.

The Steering Committee may invite other DPWH officials/personnel, concerned agencies and entities to participate and/or provide assistance in the implementation of the project, as the need arise.

This order supersedes Special Order No. 166, series of 2022, and shall take effect immediately until the completion of the project.
