| Justification:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                           |               |                                                                                                                  |                                         |                  |
| <ul style="list-style-type: none"><li>Adjustment of the actual Component Cost of Civil Work (CW1) and Engineering Overhead Expenses (EAO) as per Approved Program of Work (POW), to conform with the Department Order No. 52 series of 2019. The physical target remain the same.</li><li>Slight increase in the amount of CW-1 due to inclusion of Miscellaneous Structures such as ReflectORIZED Thermoplastic Pavement Markings and Concrete Joint Sealant for center line, edge line, and pedestrian line which constitutes 1.34% (P1,391,397.04) of the total project cost. Inclusion of these items is necessary to provide a safe and comfortable road to the riding public.</li><li>The hauling distance of 50.00 kilometers from the DEO to project site also contributed to the increase in unit cost per kilometer of the road project.</li></ul> |                           |               |                                                                                                                  |                                         |                  |

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended.

**DIMAS S. SOGUELON, CESO I**  
Undersecretary for Regional Operations in Mindanao
