Total:		**₱55,000,000**	**Total:**		**₱ 55,000,000**

Use of rock net system = Active Protect Syst.

Justification:
Increase in physical target due to the decrease in the unit cost based on DUPA, POW and prevailing CMPD. A change in station limits in view of the inclusion of protection works on identified critical areas which require steel netting to control soil collapse or landslides along Nueva-Ecija-Aurora Road. Also, a typographical error from Casigura to Casiguran since no Municipality of Casigura exist in the province of Aurora.

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended.

Senior Undersecretary
Undersecretary for Operations
in Regions I, II, III, IV-A, V and CAR
