Change in physical target from 1,782.072 square meters to 1,702.072 square meters from the data of actual survey consolidated on the approved Detailed Engineering Design. .

Typographical error. There is no such previous funding entitled as Phase II and Phase III for the construction of the said bridge. Hence, correction from Phase IV to Phase II in order to adopt . the consistency on the construction phase of the project.

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended.

RAFASE CYABUT

Senior/Undersecretary Undersecretary for Operations in Regions I, II, III, IV-A, V and CAR
