Total:		₱ 100M	Total:		₱ 100M
Justification:					
• CW2-Construction of concrete bridge is deleted due to the absence of access road, hence, road is prioritized. • Increase in physical target for CW1 in order to complete the construction of concrete road along the approaches of the proposed concrete bridge to be implemented in 2019. • Allocated amount for the ROW acquisition was decreased from ₱14,305,160 to ₱10.00 Million only since the length for the road opening, which was affected for the said ROW, was shortened.					

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended.
