Change in station limits in order to avoid overlapping of ongoing road widening. The change in station limits was made also to prioritize the continuity of the existing four lanes and ongoing

road widening within the same road section.

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended.

DIMAS S. SOGUELON, CESO I

Undersecretary for Regional Operations in Mindanao

APPROVED/DISAPPROVED:

MARK A. VILLAR

Secretary

2.3 IMM/LCA/AVS/DSS

Department of Public Works and Highways Office of the Secretary
