| 1. The modification is necessary due to decrease in physical target from 14.00 to 13.446 lane km due to budget allocation which is sufficient only to construct 13.446 lane km based on construction materials price data and labor rates made consistent to the provision of D.O. No. 32 S. 2011. |                        |                       |                                                                                |                        |                           |
| 2. The modification is necessary due to change in station limits based on the actual survey.                                                                                                                                                                                                       |                        |                       |                                                                                |                        |                           |
