Justifications:

- Change in station limits is requested in order to prioritize road section that needs widening of road to increase road network capacity and address traffic decongestion, resulting to the decrease in physical target and consequently increase in unit cost.
- Increase in unit cost were due to inclusion of drainage structure (Rc&c) to mitigate flooding in the area and other necessary items of work, as well as the effect of the increasing prices of construction materials and equipment rental rates, copy attached is Certificate of Reasonableness of Cost Estimate for your reference and guidance.
- Attached are the following supporting documents: Form for Evaluation of Modification Request (2023, V1.0); BP 202; Certificate of Availability of Funds; Approved Program of Works; Plan; Geotagged Photos; Certificate of Reasonableness of Cost Estimate; and Location Map.

Based on our evaluation, the submitted request for modification of the said project is found in order. Hence, the said request is hereby recommended for the Undersecretary's consideration and approval.
